JAMES CLOSE

A unique collaboration between Johnnie Walker Princes Street and James Close, former Owner and Head Chef at Two Michelin Star restaurant, The Raby Hunt.

Capturing James' love of story telling in small dishes, the bar team have come up with a whisky cocktail pairing for each dish, to paint a picture of the landscapes of distilleries that are vital for Johnnie Walker Blended Whisky.

We recommend that each guest has the FOUR CORNERS menu to really get a feel for our journey of flavour.

Those who are wanting the full tasting journey,
the STIR EXPERIENCE is for you.

Due to the nature of the collaborative menu, we are unable to fully cater for dietary requirements, allergies, dislikes and non-alcoholic substitutions for the cocktail pairings

We aim to cater for allergens where possible, however there is still the risk of cross contamination. Please ask a member of staff for more information.

A 10% discretionary service charge is applied to all bills.
